

'Thank you' for 27 amazing years

Article/photos submitted by Jan Bromberek, Owner/Director of Design Bromberek Design Team, Decorator Den Interiors

It is with mixed emotions that I announce my retirement as Owner of the Bromberek Design Team of Decorator Den Interiors, effective August 1, 2023. I have owned and operated this business since January 1996 and have been truly blessed with more than 27 years of success, of which I owe to my clients, staff, and business partners.

The opportunity to work in someone's house and watch them take my original ideas and turn it into their "dream home" has been such an honor to me. My clients have shared with me one of their most personal assets - their home - to help them bring the look they want to achieve to fruition. It is truly an honor to have been able to do this for a living and I want to sincerely thank this community and each and every one of you who welcomed us into your lives. Thank you for placing your confidence in our team and in your continued support through referrals and positive feedback.

Throughout my career, I have been fortunate to have received many awards, one of the most notable and personal to me being the Franchise Owner of the Year, awarded by the Decorator Den Interiors Corporate

Team. I have also had the opportunity to be recognized for numerous design and business achievements, including a Lifetime Membership in Decorator Den's Corporate Century Society; the Directors Awards for top sales; Positive Thinkers Award; and have been consistently awarded in Decorator Den's National Dream Room Competition. To say I am humbled and honored would be an understatement, as I could have never dreamed of such success when starting my business back in the late 90's.

Colette Anaya assumes the reigns

I know that I am leaving the future of this franchise in excellent hands, as I am excited to announce that Colette Anaya of Plainfield has taken over as the new owner. My team of designers has also joined Colette and will help her to build her business. They will continue to serve the Greater Chicago Suburbs with the same service and dedication that the Bromberek Design Team has and offer quality products in home interiors including window treatments, wall coverings, flooring, furniture, and accessories, as well as remodeling projects. If you are a past client, rest assured that Colette's team, including decorators Dawn Alpern and Bonnie Bulger, are eager to begin working with you on your next project. Our contact numbers will remain the same and they can be reached at 815-267-7358 or 630-369-2476. I will remain as a consultant through the end of this month, until relocating permanently to The Villages, Florida to begin my retirement. (And perhaps finally take up the game of golf!).

Please help me in welcoming Colette into the Decorator Den Interiors family. I'm so thankful for my time spent working in this community and have no doubt Colette and her team will uphold our commitment of making the world more beautiful - one room at a time.
